Intervista a Gianni Pittella - MEP

The first quarterly Board Meeting will focus on contracts, open, and future members and the opportunity to review the 2020 work at hand and to draw up the plans for the 2021 work programme.

We had the honour to meet the Mayor of Granada during our visit and exchanged our knowledge in relation to services for the deaf. During this trip, there was an impressive achievement. I saw the Granada's Governor of the Deaf's 50 year anniversary. We attended the community's festivities in the morning. Lastly, the ESD teacher met plans for the training of 20 February to engage with the deaf community in the accessible region. The activities were very positive with attendance of 300 deaf people.
